

## *Scholarly Activity*

### *2<sup>nd</sup> Quarter 2022*

#### *Publications*

Adams E, Mousa A. Pedal access first is here to stay, and it should be added to our toolbox. *J Vasc Surg* 2022;75(6):2100-1. PMID:35598939

Mathlouthi A, Khan MA, Al-Nouri O, Barleben A, AbuRahma A, Malas MB. The correlation of aortic neck length to late outcomes following EVAR with the Ovation stent graft. *J Vasc Surg* 2022;75(6):1890-1895.e1. PMID:34995716

AbuRahma AF, AbuRahma ZT, Santini A, Beasley M, Davis M, Lee A, Veith C, Roshdy M, Dean LS, Davis E. A single-center experience of 30-day perioperative and one-year clinical outcomes of transcarotid artery revascularization in 100 consecutive patients. *Vascular* [published online: May 29, 2022]. PMID:35634873

AbuRahma AF. The New 2023 European Society for Vascular Surgery (ESVS) Carotid Guidelines - The Transatlantic Perspective. *Eur J Vasc Endovasc Surg* [published online: June 10, 2022]. PMID:35697234

Annie FH, Campbell J, Searls L, Amos J. The effect of Ivermectin on cases of COVID-19. *Cardiovasc Revasc Med* [published online: June 17, 2022]. PMID:35729025

Bhandari R, Tiwari S, Alexander T, Annie FH, Kaleem U, Irfan A, Balla S, Wiener RC, Cook C, Nanjundappa A, Bates M, Thompson E, Smith GS, Feinberg J, Fisher MA. Sex Differences in Characteristics of Patients with Infective Endocarditis: A Multicenter Study. *J Clin Med* 2022;11(12):3514. PMID:35743584

Fields SA, Tanner AR, Bors KP, Bottera AR. Promoting a research culture in family medicine: Five years of scholarly works and activities group. *Int J Psychiatry Med* [published online: June 27, 2022]. PMID:35758328

Dalton H, Martin M, Garcia-Filion P, Shavelle D, Huang PH, **Clark J**, Beinart S, Israel A, Korpi-Steiner N. Activated clotting time in inpatient diagnostic and interventional settings. *J Thromb Thrombolysis* [published online: June 22, 2022]. PMID:35731496

**McPherson KL**, Kovacic Scherrer NL, Hays WB, Greco AR, Garavaglia JM. A Review of Push-Dose Vasopressors in the Peri-operative and Critical Care Setting. *J Pharm Pract* [published online: April 22, 2022]. PMID:35459405

Anand R, Puckett Y, Ronaghan CA. Above and Below the Diaphragm: A Previously Undescribed Case of Recurrent Boerhaave Syndrome Diagnosed With Computerized Tomography Esophagram. *Cureus* 2022;14(4):e24015. PMID:35547434

Sop A, Kali M, Bishara P, Broce M, Wallace L, Damayanti S. Risk of Peri-implant Fracture With Long Versus Short Cephalomedullary Nailing for Geriatric Patients With Intertrochanteric Femur Fracture. *Orthopedics* [published online: May 17, 2022]. PMID:35576484

Taylor R, Opara N, Simmerman T. Gallstone Ileus with Cholecystogastric Fistula in an Older Female. *Eur J Case Rep Intern Med* 2022;9(4):003345. PMID:35520360

Dargy N, Santini A, Reading L, Mousa A. Aortobifemoral bypass for occlusive aortic disease in a patient with a duplicate inferior vena cava. *Journal of Vascular Surgery Cases, Innovations and Techniques*. 04/11/2022.

## *Chapters/Textbooks*

AbuRahma AF, Abu-Halimah S. (2022). Three-dimensional vascular imaging and power doppler angiographic imaging, Chapter 66. AbuRahma AF, Perler B (Eds.) *Noninvasive vascular diagnosis: A practical guide to therapy*, 5th Edition. (p. 1163-1178). London: Springer Nature.

AbuRahma AF (Associated Editor). (2022). (Associate Editor). Sidaway A, Perler B (Eds.) *Rutherford's Vascular Surgery and Endovascular Therapy*, 10th Ed. Philadelphia: Elsevier.

## *2022 Presentations*

### **ORAL:**

AbuRahma AF. Guideline update: Management of extracranial cerebrovascular disease. Society of Vascular Surgery Annual Meeting, Boston MA, 06/15/2022

AbuRahma AF. Leadership welcome. Society of Vascular Surgery Annual Meeting, Boston MA, 06/16/2022

AbuRahma AF. Moderator Session 1: Macrophage-specific nanotherapy targeting histone demethylase JMJD3 decreases pathologic inflammation and STING1 in diabetic wounds. Society of Vascular Surgery Annual Meeting, Boston MA, 06/15/2022

AbuRahma AF. Moderator: Greenberg Distinguished Lecture. Society of Vascular Surgery Annual Meeting, Boston MA, 06/15/2022

AbuRahma AF. Moderator: John Homens Lecture. Society of Vascular Surgery Annual Meeting, Boston MA, 06/18/2022

AbuRahma AF. Moderator: More is less and less is more. Society of Vascular Surgery Annual Meeting, Boston MA, 06/15/2022

AbuRahma AF. Moderator: Surgeons as hospital administrators: An antidote to burnout and benefit for the healthcare system. Society of Vascular Surgery Annual Meeting, Boston MA, 06/16/2022

AbuRahma AF. Moderator: William J von Liebig Forum. Society of Vascular Surgery Annual Meeting, Boston MA, 06/15/2022

AbuRahma AF. Moderator: World federation of vascular societies session: Global training and education during and post pandemic. Society of Vascular Surgery Annual Meeting, Boston MA, 06/17/2022

AbuRahma AF. Presidential introduction and address: SVS past, present and future: From being exclusive to more inclusive (Keynote Speaker). Society of Vascular Surgery Annual Meeting, Boston MA, 06/17/2022

Piehler K. Exploratory Laparotomy within 2 hours of Arrival: A Measure of the Quality of Trauma Care. ACS WV Chapter Resident Competition, White Sulphur Springs, WV, 05/06/2022

Bolton L. Impacts of the COVID-19 pandemic on suicidal thoughts and behaviors of West Virginian adolescents. West Virginia AAP, Stonewall Resort, Roanoke, WV, 04/08/2022

Janczewski S. An Image is Just an Image. Society Hospital Medicine, Charleston, WV, 04/22/2022

Momoh S. Chronic Pruritus after Methamphetamine Discontinuation. Society Hospital Medicine, Charleston, WV, 04/22/2022

Deipolyi A. Extreme IR: Back to life, live. Society of Interventional Radiology Annual Scientific Meeting, Boston MA, 06/12/2022

Deipolyi A. Fertility and pregnancy and the challenges of child care. Society of Interventional Radiology Annual Scientific Meeting, Boston MA, 06/11/2022

Deipolyi A. Immune activation markers and response to radioembolization of breast cancer lever metastasis: A pilot study (Abstract of the Year Awardee). Society of Interventional Radiology Annual Scientific Meeting, Boston MA, 06/15/2022

Deipolyi A. Mitigation of radioembolization risks. Society of Interventional Radiology Annual Scientific Meeting, Boston MA, 06/11/2022

Deipolyi A. Optimizing Y90 particle density improves outcomes after radioembolization. Society of Interventional Radiology Annual Scientific Meeting, Boston MA, 06/13/2022

Deipolyi A. Ovarian vein sampling. Society of Interventional Radiology Annual Scientific Meeting, Boston MA, 06/12/2022

Deipolyi A. Predictors of adequacy and adverse events during spleen biopsy in oncologic patients. Society of Interventional Radiology Annual Scientific Meeting, Boston MA, 06/12/2022

Deipolyi A. Radioembolization: Beyond HCC2. Society of Interventional Radiology Annual Scientific Meeting, Boston MA, 07/14/2022

Deipolyi A. The struggles and glories of women in interventional radiology. Society of Interventional Radiology Annual Scientific Meeting, Boston MA, 06/13/2022

Emmett M, Haggerty T, Stout N. Rural health and implementation science: Panel discussion. West Virginia Practice-Based Research Network, Roanoke, WV, 05/06/2022

Whanger S, Lewis W, Boyd J, Emmett M, Haggerty T, Kimble W, Lukas J. The design studio part 2: Enhancing research capacity to statewide partners. National Meeting of the Practice-Based Research Network, Washington, DC, 06/02/2022
